

Area Becomes Much Brighter As Street Lights Installed

By SUE BURK
FR 5-4519

Things have really brightened up in this area during the past week, with the installation of new street lights. For six years, residents had tried to get these lights, and although they are not ornamental, they look very good to local residents.

Betty Archibald, of 5350 Doris Way, spent two weeks in Arrowhead at the Village Inn, while her children, Barbara and Donald, spent three fun-filled days in San Francisco just seeing the sights.

Florence and Bernard Housnick and their three daughters, Karen, Sandra, and Bonnie, of Chicago, Ill., have been visiting with Mr. and Mrs. Gregory Reger, Sr., of Doris Way.

Mr. and Mrs. Dell Shutz, of Doris Way, have sold their home here and moved away.

New residents of this neighborhood are the O'Connor family, who moved into their new home on Doris Way from North Hollywood.

Jack and Florence Heptig are now adding the finishing touches to their home on Bindewald Rd. They have added two new rooms—dining and living rooms—and redecorated both inside and outside.

The Pat Bradys, of 5324 Doris Way, entertained lovely Lorna Patterson of Melbourne, Australia. Lorna enjoyed many exciting trips here and there throughout our Southland with her host and hostess.

Colleen Conelin, of Omaha, Neb., has been visiting with her aunt and uncle, Mr. and Mrs. Bill Conelin, of 5334 Doris Way, this past two weeks.

Eddie and Minnie Barrett, of 5342 Doris Way, are busily adding a garage to their home. Lovely wooden awnings are also being added.

The Jim McClunes, of 5320 Doris Way, have repainted the outside of their home in a beautiful chocolate brown with white trim.

Jimmie Mitchell, son of Mr. and Mrs. Jack S. Mitchell, of 5113 Sakon Rd., celebrated his seventh birthday, recently.

Visiting Mr. and Mrs. Gene Williamson and children over Saturday were Gloria Williamson and children, of Wilmington.

Frank and Freda Dias and children, of 5312 Doris Way, spent a three weeks vacation at Mt. Palomar. While enjoying the beautiful scenery the folks did a little fishing and swimming on the side. To top off their wonderful vacation they stopped by Las Vegas—again to enjoy the sights.

The Gansens, of 5120 Zakon Rd., observed their 45th wedding anniversary recently. They celebrated with daughter, Miss Josephine Gansen, of Playa Del Rey.

Billy Steinwachs, son of Mr. and Mrs. Williams Steinwachs, of 5320 Sharynne Lane, has undergone surgery in the Seaside Memorial Hospital. Billy will probably be home in another week. How about sending a colorful card to a nice little guy?

Mr. and Mrs. Robert Graham, of 4710 Sepulveda Blvd., celebrated their 17th wedding anniversary recently. Madge prizes her necklaces and earrings given by son, Bobby.

Camping in Big Pines recently were Paul Kolleck and sons, Paul and Tommy. Grandpa and Grandma Fitzgerald went along on this trip, too.

In one of my columns last month, I mentioned the fact that the Scout Mothers' Club would like suggestions on what should be in their Christmas

booth this year. Since that time the president, has received calls from all over town, from folks who wish to sell the club everything from soup to nuts. The Scout mothers make each and every article that appears in the booth for sale and the proceeds are used to buy scouting equipment for the boys. If they were to purchase such items and then try to sell them, very little could be taken in for the purpose of furnishing scouting equipment. Thanks a lot to those who did call and just offer suggestions though.

On Oct. 27 a pot luck dinner and auction is planned for the Boy Scouts of Troop 726, and their families. The meeting will be in the El Retiro Park Scout hall.

Help is vitally needed to help in the Brownie and Girl Scout Troops. Call Mrs. Elinor Berry at FR 5-3505 if you can possibly spare any time for this worthy organization.

Little Pat Sano, daughter of Mr. and Mrs. Howard Sano, of Sharynne Lane, recently returned from Gardena Hospital, where she was treated for third degree burns. The child was burned about the back and legs when she overturned a pot of scalding water while playing in the kitchen of her home.

Edward Wood, of Allied Gardens, is suffering a slipped disc of the back.

Give Stories Light Touch, Author Says

"Don't be grim about writing. Keep the light touch," advised Gladys Everets Brown, San Pedro writer, who spoke to members of Southwest Manuscripters at Clark Stadium, Hermosa Beach, Friday.

"Take time to keep up your outside contacts. Your writing will be more spontaneous," she said.

From her background of seven years in Latin America, four of them in Guatemala during a period of revolution and unrest, Mrs. Brown has developed story material for children's fiction

and adult feature articles. Two of her books for children have been published during the last year—"Tico Bravo," a Costa Rican boy story, and "Two-Bow Bill," a picture story of a ferry boat.

Elsie Pestoff, of Torrance, long-time member of Southwest Manuscripters, was named assistant editor of the new experimental magazine for writers, The Marketeer. Mrs. Pestoff has made major sales of adult fiction, one-act plays, and articles.

The Southwest Manuscripters meet the third Friday evening

PRODUCTION RATE

The city of Dayton, Ohio, and its suburbs, have produced more than 17 million refrigerating units, including air conditioners since 1921, the reports indicate, and the total is increasing annually.
